

# FLOWER POWER

## Scavenger Hunt

Take a walk through your backyard or neighbourhood. Try to find as many daffodils as you can. If you can't find any daffodils in your neighbourhood then any yellow flowers should do the trick! Draw or describe them in each box.

Remember to leave the flowers where you found them so others can enjoy them too!

**A daffodil growing from the ground**

**An unusual looking daffodil**

**A daffodil growing next to a tree**

**A daffodil as small as your fingernail**

**A daffodil as big as your palm**

**A daffodil all by itself**

**A daffodil hanging out with its friends**

**Yellow or white flowers**

**Blue or purple flowers**
